

Create your very own  
Bird Feeding Station  
Pixie Hollow style!

# Tink & Fawn's Bird Feeder

## You will need:

- A large plastic bottle
- A long twig
- Length of string, rope or twine
- Non-toxic Paint
- Non-toxic glue
- Leaves
- Moss

## How to make:

- 1 ~ Have an adult help you punch holes on either side of a large plastic bottle.
- 2 ~ Stick a twig all the way through with its ends sticking out for perches.
- 3 ~ Make two more openings for the birds to pull the seeds out.
- 4 ~ Punch a small pin hole at one end of your bottle.
- 5 ~ Thread your string through the hole and tie off for hanging.
- 6 ~ Fill the bottle with your bird seed or finely chopped nuts.
- 7 ~ Find a bird-friendly place to hang your feeding station.
- 8 ~ See how many birds come to visit!

## How to decorate:

Now you've built your bird feeder it's time to decorate! Pixie Hollow style! Use your paint, glue, leaves and moss to make your bird feeder look like it came right out of Pixie Hollow! Don't forget the pixie dust!
