MAKE YOUR OWN SHAUN THE SHEEP EARS!

INSTRUCTIONS

You and your friends can join Shaun's flock by making and wearing your very own pair of Shaun the Sheep ears!

You will need:

- Scissors
- Sticky tape

1. Print out a template for each person in your flock and cut out the pieces along the dotted lines. Be careful when using sharp scissors. (ask an adult for help.)

2. Tape the topknot to a black band along one side edge. And stick on the ears.

3. Before taping the other side edge to form a circle, hold the crown on your head to measure how big it need to be, then tape it into place.
(Adults – you may need to use the second band to make it fit!)

4. Put the crown on your head and do your best sheep impression!

We'd love to see your finished pair of ears.
