## A close-up of the character Chip from Disney's Chip 'n Dale: Rescue Rangers. He is wearing a black superhero mask with white circular eye cutouts and a blue cape. He has brown fur on his head and back, and lighter tan fur on his face and belly. He is looking down and slightly to the right with a gentle smile. The background is a solid light blue.

A close-up photograph of a tan trench coat and a grey fedora hat. The coat is double-breasted with dark buttons and has a belt with a buckle. The hat is perched on a dark surface, possibly a mannequin head. The background is white with a large, stylized 'IF' logo in the bottom right corner.
